

Would You Like To Get **Full Transparency** About Your Machinery?

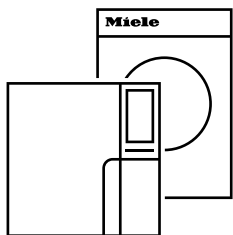

No problem! With Miele MOVE Connect, you can network your machines free of charge and receive a transparent overview of your machine data - conveniently via smartphone, tablet or desktop PC. Make informed decisions for your business and act in a cost and environmentally conscious manner. An overview of the currently networkable machine portfolio can be found at: www.miele-move.com

- **Informative consumption data*** on sustainability through real-time CO₂ values
- **Automatic process documentation** as proof of proper cleaning cycles
- **Comprehensive service support and remote updates**
 - Transparent machine status
 - Cross-location overview
 - Personalised views
 - Helpful notifications

Networking made easy

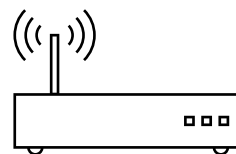

All you need to benefit from the free digital solution is your machine, registration with Miele MOVE Connect and an internet connection. Our service team will be happy to assist you with setting up the network.
