

## Datenblatt für Weinlager- und Weintemperierschränke

Miele			
Model name/ model ID number		KWT 6321 UG	
Product type			
Energy usage (AE_c) <sup>1) 2)</sup>	kWh/Year	195	
Nutzzinhalt Weinlagerzone <sup>1)</sup>	l		
Nutzzinhalt Weintemperierzone <sup>1)</sup>	l	94	
Anzahl Flaschen gesamt <sup>1) 3)</sup>		34	
Climate class <sup>1)</sup>		N	
Noise level <sup>5)</sup>	dB(A) re 1 pW	38	
Configuration			
Freestanding appliance (underneath worktop possible)		- / -	
Built-under appliance / integrated <sup>6)</sup>		- / -	
Built-in / integratable <sup>6)</sup>		● / ●	
Door hinging <sup>7)</sup>		right	
Dimensions			
Product dimensions		Height	cm 81,8
		Width	cm 59,7
		Depth <sup>8)</sup>	cm 57,5
Niche dimensions for assembly		Height	cm 82,0-87,0
		Width	cm 60,0
		Depth <sup>8)</sup>	cm 57,0
Net weight <sup>9)</sup>		kg	47,0
Electrical specifications			
Voltage		V	220-240
Power consumption		mA	800
Fuse		A	10
Frequency		Hz	50
Name and address of supplier		Miele & Cie. KG, Postfach, 33325 Gütersloh	
Note::			

• Yes, available

<sup>1)</sup> Values determined by norm EN 153.

<sup>2)</sup> Based on findings of the norm testing for 24h. The actual usage depends on operating conditions.

<sup>5)</sup> Values determined by norm 60704.

<sup>6)</sup> Can be integrated when using furniture door.

<sup>7)</sup> Door hinging: r = right, l = left, w = adjustable.

<sup>8)</sup> Depth including distance to wall.

<sup>9)</sup> For built-in appliances, please consider the board or wall being sufficiently load-bearing.

Note: Table established 07/05. Subject to further development.
