

APRI 306
Cover
for optimum heat insulation.

- Suitable for PRI 318
- Increased heat radiation is avoided
- The insulating cover protects the roller against dust

EAN: 4002516135357 / Material number: 11156440 / Old Material Number: 59318002EU

Product classification	
Ironers	•
Machine/accessory category	
PRI 318	•
Product category	
Cover	•
Product properties	
Electrical connection	OHNE
Colour	White
Dimensions and weight	
External dimensions, net height in mm	86
External dimensions, net width in mm	1865
External dimensions, net depth in mm	221
External dimensions, gross height in mm	160
External dimensions, gross width in mm	1972
External dimensions, gross depth in mm	400
Net weight [kg]	6.70
Gross weight in kg	19.95
