TWA520WP 8kg Active T1 heat-pump dryer:

8 kg | EasyControl | EcoSpeed | EcoDry technology | FragranceDos

- Tested for 20 years of perfect laundry care*
- Heat pump technology low consumption, gentle drying
- EcoSpeed efficiently reduces the drying time by 20 minutes**
- EcoDry for efficient performance over the entire tumble dryer service life***
- FragranceDos ensures your laundry smells wonderfully fresh after drying****
- * During the development phase of the W1 washing machine series, Miele tested models and core components in 5000 wash loads (= 5 wash loads per week for 50 weeks per year) in various programmes. More: miele.com/20years
- ** Compared to Miele tumble dryers without EcoSpeed with the same load size and energy efficiency class. Tested in the "Cottons" programme with a full load size.
- *** Patent EP 2 455 537
- **** Patent EP 2 431 516
