

Informatie over kritieke stoffen

Informatieverplichting overeenkomstig artikel 33 van Verordening (EG) nr. 1907/2006 (REACH) met betrekking tot stoffen die zijn opgenomen in de zogenaamde „REACH-kandidatenlijst“ (SVHC – stoffen die aanleiding geven tot zeer grote bezorgdheid).

Raadpleeg de PDF om na te gaan of er in onze producten materialen zijn die een stof uit de zogenaamde „REACH-kandidatenlijst“ bevatten in concentraties van meer dan 0,1% w/w (gewichtsprocent).

Doordat Miele voldoet aan alle Europese wettelijke voorschriften die het gebruik van stoffen beperken, is gewaarborgd dat er bij correct gebruik en een juiste omgang met onze producten geen risico's voor het milieu of de menselijke gezondheid ontstaan tijdens het gebruik of de verwijdering ervan.

Materiaal	Materiaalomschrijving	Component	Beschrijving van zuivere stof/zuivere stoffengroep	CA5-nr.
