

# Miele

## Fire Brigade

Fire brigades, emergency services, PPE care, & more.

Miele provides complete laundry solutions designed specifically for the demanding needs of fire brigades and emergency services. Efficient and reliable laundry management is essential for maintaining the highest hygiene standards, ensuring the safety of firefighters and the integrity of their protective gear. Rely on Miele for expert support in preserving PPE performance and meeting strict decontamination protocols.

### Gentle on Every fiber

Patented Honeycomb Drum  
2.0 protects textiles

### Precision for Hygiene

Stable high temperatures eliminate  
viruses and bacteria while  
protecting your gear.

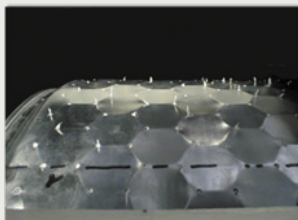

### Built to Last

Components tested for  
30,000 + cycles

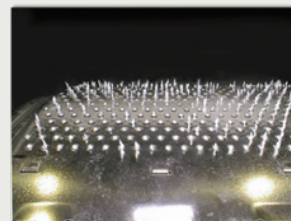

## You Protect Lives. We Protect your Equipment.

- ◆ Gentle on PPE: Smooth honeycomb surface protects liners and barriers.
- ◆ Less Wear: Reduces friction to extend gear life.
- ◆ Better Cleaning: Even drum action improves soil and soot removal.
- ◆ Proven Technology: Trusted in professional textile-care environments.

**Miele's Honeycomb Drum** Provides a gentle yet thorough clean. Its patented design minimizes mechanical stress on the materials.

**Competitor's Drum** prematurely break down fibers reducing the lifespan of the materials.

## Choosing the right load size.

	Sets	Pieces	Breathing masks in protective bags	Pairs of gloves
PWM 920	3	6	15	38
PW 6241	4	8	19	50
PW 6321	5	10	20	67

*The provided figures are based on sample items and should be used as guidelines. It's important to note that weights and sizes of various brands may differ. Therefore, when using this information, it's essential to refer to the specific product's measurements and specifications for accuracy.*

### Benchmark Washer/Dryer

Washers	Load	Heating	Electrical		Material Number
PWM 920	45 lbs.	Electric	208V, 240V/60Hz/3 Ph	3 x 60 A	11803300
PW 6241	55 lbs.	Electric	208V, 240V/60Hz/3 Ph	3 x 70 A	12088670
PW 6241	55 lbs.	Electric	440V,480V/60Hz/3 Ph	3 x 35 A	12092170
PW 6321	75 lbs.	Electric	208V, 240V/60Hz/3 Ph	3 x 150 A	12012400
PW 6321	75 lbs.	Electric	440V, 480V/60Hz/3Ph	3 x 45 A	12092240
Dryers	Load	Heating	Electrical		Material Number
PDR 922	50 lbs.	Electric	208/240V/60Hz/3 Ph.	3 x 70 A	12012280
PDR 928	60 lbs.	Electric	208/240V/60Hz/3 Ph.	3 x 100 A	12012380
PDR 928	60 lbs.	Electric	440/480V/60Hz/3 Ph.	3 x 60 A	12012390
PDR 944	100 lbs.	Electric	208V, 240V/60Hz/3 Ph	3 x 150 A	12012400
PDR 944	100 lbs.	Electric	440V, 480V/60Hz/3Ph	3 x 70 A	12012410

*More heating versions are available. Contact Miele Professional for the full list of product variants.*

## Recommended Accessories

	Product	Description	Material No. Article No.
	APWM 019	Connector Box, PWM 12-20 kg. 1-6 dispenser pumps.	12406180
	APWM 031	Stainless Steel Base, Closed 10" for PWM 920	11792020
	APWM 035	Iron Grey Base, Open 10", PWM 920	11776370
	APWM 079	Protective bag for breathing masks	12118460
	APCL 053	Protective bag	11662270
	APWM 900	Drain Box. Installed between machine and drain to prevent clogging.	11637370
