

Miele

Introducing the ADA-Compliant Little Giants Bundle

A New Standard in Accessible Laundry

More Accessible Than Ever.

For the first time ever, Miele Professional's Little Giant laundry is available in an ADA-compliant configuration, making industry-leading performance accessible to even more users and facilities.

ADA-COMPLIANT

Configured to support accessibility requirements and provide an improved user experience for all customers.

ENERGY STAR® MOST EFFICIENT

The PDR 908 HP Heat Pump Dryer delivers exceptional energy savings while maintaining outstanding drying performance.

LITTLE GIANT PERFORMANCE

The same trusted quality, durability, and laundry results that customers expect from Miele Professional.

THE PERFECT PAIR

Professional-grade washing and drying performance in a compact footprint.

MORE ACCESSIBLE.

MORE EFFICIENT.

STILL UNMISTAKABLY MIELE.

Whether for multifamily housing, senior living communities, student housing, hospitality, or commercial laundry applications, the ADA-compliant Little Giant configuration delivers accessibility without compromise.

Combined with compatibility for payment system integration, it is the perfect solution for shared laundry environments—offering premium Miele performance, ENERGY STAR® efficiency, and convenient revenue-generating operation.

ADA-COMPLIANT CONFIGURATIONS

PWM 908 Washer + APCL 084

25-Minute Express Wash

Fast cycle saves time without compromising on cleanliness.

Thermal Disinfection
