

# The perfect couple at the touch of a button.

#### Miele. Immer Besser.

# Everybody loves something more than anything else in the world.

Little things, big things, beautiful moments and great memories that they only entrust to one. We want precious possessions to be well-protected, faithful friends to be handled with the utmost care, recipes to be perfect, and food to be always fresh. That's Miele. That's Immer Besser.

# Have a good start to the day - with an extra cup of coffee!

Treat yourself to a well-loved morning ritual. Miele's full range of milky coffee specialties now comes in pairs - with the OneTouch for Two function.

#### OneTouch for Two -Brew two coffee specialties at the same time

All Countertop Coffee Machines feature the OneTouch for Two function. This allows you to make two delicious coffee specialities at the same time with only the touch of a button. Preparation takes less time, giving you more time for enjoying a delicious coffee drink with company.

### Suitable models for every kitchen. An overview of our countertop coffee machines.

At Miele, you have the choice between different colors and designs. You are certain to find the perfect coffee machine – all manufactured to Miele's legendary quality standards.

#### CM 6150 Countertop Coffee Machine

Offers a sleek design with remarkable functionality. Features include the ability to brew several beverage specialties, 4 programmable user profiles, OneTouch for Two function and convenient cleaning programs along with dishwasher safe components. Available in Obsidian Black or Lotus White.

#### CM 6350 Countertop Coffee Machine

Offering even more convenience and luxury. The CM 6350 carries out the same functionalities as the CM 6150, along with an array of additional amenities. This includes a hot water function, integrated cup warmer, LED lights and standard Stainless Steel Milk Flask, Available in Obsidian Black, Lotus White or Graphite Grey.

## Exclusive design for exclusive tastes. The CM6 with new design.

# The highlights of the CM6 countertop coffee machine.

#### AromaticSystem

Intelligent technology: the brew chamber mixes coffee and water perfectly, creating the perfect aroma.

#### Cappuccinatore

Minimum effort required: hot milk or creamy milk froth is delivered straight to the cup, glass or small coffee pot.

Automatic rinsing of the milk pipework

Excellent user convenience: after making special coffee beverages with milk, the machine is cleaned automatically.

#### Easily removable brew unit

Easy to remove and clean: the guarantee for impeccable hygiene, long service life and perfect coffee enjoyment.

#### ComfortClean

Thorough cleaning and value retention: many components are dishwasher-proof.

Obsidian Black

# The highlights of the built-in coffee machine.

## EasyClick milk system

Innovative and only available from Miele: the milk system simply clicks into place at the front and can be easily removed.

# 

#### CupSensor

Ideal distance: the CupSensor recognizes the rim of the cup and alters the position of the central spout accordingly.

#### ComfortDoor

Easy access: convenient access to bean container, water container, grounds container and drip tray.

# Automatic rinsing of the milk pipework

Excellent user convenience: after making coffee beverages with milk, the machine is cleaned automatically.

#### AromaticSystem

Intelligent technology: the brew chamber mixes coffee and water perfectly, creating the perfect aroma.
