The Range That Makes Anything Possible

Design & Flexibility

Redefined professional look aligns harmoniously with Miele products. Available in All Gas, Dual Fuel, Electric and Induction, ranging in widths from 30", 36" and 48", which features a unique 3-door concept.

Gourmet Results

Found in the Gourmet Center, 15 MasterChef Plus automatic programs guide you to the correct mode, temperature, time and integration of Moisture plus to create the perfect bread.

Technology

Innovative M Touch controls allow for easy navigation through an intuitive swipe of the screen. The touch-activated ComfortLift Panel is designed to provide optimum comfort and ease.

Rangetop Performance

The M Pro dual stacked burner system, with TrueSimmer, delivers a maximum of 19,500 BTUs; allowing for absolute control whether simmering or searing your favorite foods. M Pro infrared griddle and M Pro grill options are available.

Safety

Cooling system and Cool-touch front allow maximum protection keeping all surfaces around the Range cool. Backlit precision knobs allow you to see if the burner has been turned off after cooking.

Ease of Cleaning

Self Clean oven and Self Clean ready accessories can be used during the cooking process allowing grease residue to continually break down. ComfortClean dishwasher-safe grates make for easy cleanup.
