PerfectCool Refrigeration

*See specific models for details

FEATURE	DESCRIPTION
PerfectFresh Pro	Food stays fresh for up to five times longer. With automatically controlled temperature zones, PerfectFreshPro is Miele's best system for perfect storage conditions of fresh produce.
FlexiLight	Glare-free, LED glass shelf lighting.
ComfortClean	The shelves on the inside of the door are dishwasher-safe for easy cleaning.
DynaCool	With uniform distribution and circulation of temperature, store your food anywhere in the fridge and freezer.
SuperCool	Rapid and gentle freezing of food.
PerfectFresh Active	Perfect humidity at all times: Whenever the door is opened and every 90 minutes, a fine water mist is sprayed into the drawer for a gentle layer of moisture.
FlexiLight 2.0	Individually adjustable glass shelf lighting; illuminated shelves can be custom-positioned and are entirely glare-free.
FlexiTray	Pivot-able glass shelf allows for items to be removed easily, even from a full refrigerator.
Miele@home	Access your appliance from your smart device for maximum convenience. Adjust fridge or freezer temperature, setting it to SuperCool while on the go.

Product Highlights

PerfectCool Wine Storage

*See specific models for details

FEATURE	DESCRIPTION
TouchControl Display	Incredibly convenient: a whole range of settings can be controlled easily with the tap of a finger on the touch display.
LED Lighting	Flush lighting strips present your appliance in the perfect light.
Push2Open	For a handleless design, just apply slight pressure to the door to open.
SoftClose	With just a gentle touch, our dynamic doors close on their own. Integrates perfectly within a handleless kitchen.
FlexiFrame Racks	Individual Beechwood slats can be easily moved to make room for larger wine bottles.
SommelierSet	Perfect for wine connoisseurs: prepare cooled wine glasses and wine for decanting. Drink perfectly conditioned wine even from opened bottles.
3D Bottle Presenter Shelf	Place your favorite bottles on display.
Temperature Zones	Precise temperature regulation, ensuring the best storage conditions for different wine types.
NoteBoard	Every bottle rack features a removable magnetic strip for labeling the types of wine bottles on the rack.

Product Highlights

MasterCool Refrigeration

*See specific models for details

FEATURE	DESCRIPTION
MasterFresh	Food stays fresh for up to three times longer. Ideal storage temperatures and humidity levels for fruit, vegetables, fish, meat and dairy products.
BrilliantLight	Each area of the unit is perfectly illuminated by many LED light strips strategically placed throughout.
Push2Open	For a handleless design, just apply slight pressure to the door to open.
DuplexCool Pro	The refrigerator and freezer sections have separate cooling circuits, or dual compressors, ensuring an optimum climate with no air exchange between the two areas.
IceMaker & Ice/Water dispenser	With the ice/water dispenser on the front of the unit, treat yourself to ice and cooled water at the touch of a button. The icemaker can produce up to 150 ice cubes per day.
SoftClose	With just a gentle touch, our dynamic doors close on their own. Integrates perfectly within a handleless kitchen.
MasterSensor Controls	Incredibly convenient: a whole range of settings can be controlled easily with the tap of a finger on the color touch display.
Miele@home/Mobile Control	Access your appliance from your smart device for maximum convenience. Adjust fridge or freezer temperature, setting it to SuperCool while on the go.

Product Highlights

MasterCool Wine Storage

*See specific models for details

FEATURE	DESCRIPTION
MasterSensor Controls	Incredibly convenient: a whole range of settings can be controlled easily with the tap of a finger on the color touch display.
BrilliantLight	Each area of the unit is perfectly illuminated by many LED light strips strategically placed throughout.
Push2Open	For a handleless design, just apply slight pressure to the door to open.
SoftClose	With just a gentle touch, our dynamic doors close on their own. Integrates perfectly within a handleless kitchen.
Temperature Zones	Store up to three different types of wine with different temperature zones.
FlexiFrame Racks	Individual wooden slats can be easily moved to make room for larger wine bottles.
SommelierSet	Perfect for wine connoisseurs: prepare cooled wine glasses and wine for decanting. Drink perfectly Conditioned wine even from opened bottles.
NoteBoard	Every bottle rack features a removable, magnetic strip for labeling bottles.
Miele@home/Mobile Control	Access your appliance from your smart device for maximum convenience.
